Wednesday July 19, 2017

5:30 P.M.

COUNCIL MEETING

Location: Johnson Township Community Centre Hall
1 Cameron, Desbarats, ON

ADDENDUM

G) CORRESPONDENCE:

1. David Farrar (Kensington Point Marina) – concern with Kensington Road condition.

July 17,2017

From : David Farrar

President : Kensington Point Marina 400 Kensington Rd. Desbarats P0R1E0

To: Johnson Township Mayor Ted Hicks and Council

Dear : Johnson Township, Mayor Ted Hicks and Council

I am writing this letter to inform you that Kensington Point Marina will not be paying their taxes until you do something to repair Kensington Road I have had many complaints from customers that have summer residents on the water and customers coming from Sault Ste. Marie the condition of this road is sub standard and it is time that you do something about it in my opinion you cannot continue to patch on top of patch you need to take charge and bring this road up to standard. Kensington Point Marina does not receive a lot of services from the township , but the road is a very important part of our requirement from the township.

Kensington Point Marina WILL NOT be paying our taxes or any interest on our account or supporting any more of the Township programs , however when the Township shows an effort to bring the road up to MTO. standard than we will make payment on the taxes but will not be paying any interest on taxes

Yours sincerely,

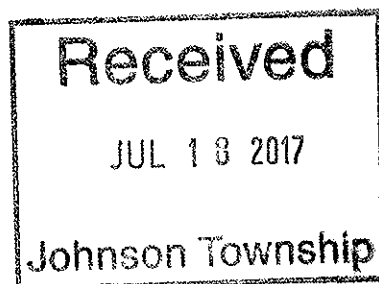

Kensington Point Marina

David Farrar
