To whom it may concern.

Greetings.

We are wondering if there would be any chance that the Township of Johnson would grant us permission to display some of our products on said township's property located on the North/East corner of Hwy 107 + Lake Huron Drive. (East across Lake Huron Drive from Loonie Toons) Products would include prefabricated floating + Aluminum docks, Out door furniture + possibly a structure such as a sauna etc. We would take full responsibility of any damage or theft done to our products. If you have questions or concerns feel free to talk with us.

Much obliged + thank-you

Manassah Doerksen
