Public Notice

Tuesday August 25, 2020

PLANNED WATER SHUT DOWN AUGUST 28, 2020 9:00PM

Due to preventative maintenance of the water treatment plant- repairs will take place Friday, August 28, 2020 starting at 9:00pm. At this time – please restrict water use to prevent an extended shut down of the water system. Potable water may be stored before this event.

In consultation with Algoma Public Health, Once the repairs are completed and the plant is up running there will be a Boil Water Advisory in place until collected samples prove no adverse affects.

We recommend that water should be brought to a rolling boil and boiled for one minute before use.

Thank you for your cooperation and we shall endeavor to keep you informed.
