### The Greatest Game Ever Played

#### Youth Recreational Learn to Play Hockey Program

Hockey season is just around the corner! We are looking for anyone interested in **helping coach our Youth Recreational Learn to Play Hockey Program.** 

The learn-to-play program supports co-ed skaters aged 4-13 who are looking to learn basic skills or refine existing skills in hockey. The program typically runs for 19weeks from October-March, once a week with breaks for holidays.

If you are interested in Coaching or registering a child please contact Patti at: Office: 705-782-6601 x205 | Cell: 705-257-6827 | ptrotter@johnsontownship.ca

#### **Adult Recreational Hockey League**

Are you interested in playing Hockey this winter? We are looking for any individuals, teams, and team captains interested in playing in the

Johnson Township Adult Recreational Hockey League.

- Games run twice a week for 1hr.
- Teams need to consist of a minimum of 12 players (including your goalie).
- Co-ed league for anyone aged 16 and up.
- Anyone under 18 years of age will need a parent or guardian's signature

If you are interested in putting in a team or playing join us for an information session Monday, September 26th at 7pm at the Johnson Township Community Centre Hall.

## **Notes from the Fire Chief**

As the weather starts to change take into consideration fire safety in Autumn. Remember:

- Never park your car or truck over a pile of leaves. The heat from the vehicle's catalytic converter or exhaust system can ignite the leaves below. The resulting fire could destroy your vehicle.
- Flammable liquids should not be stored in inside the home or in an attached garage or shed. This includes any unused fuel still in the fuel tank. Store this equipment away from your home or drain excess fuel out of the tank before storing. This simple safety precaution will help prevent accidental fires from escaping fuel vapors.
- Remove fuel from lawn mowers before storing them for winter.
- Contact your utility company if trees or branches are not clear of power lines
- Prune back trees, and rake up leaves and debris. If you live in an open area with a lot of natural vegetation, consider creating a defensible fire zone around your home. Prune the bottom branches from trees and remove shrubs and trees within 20 feet of your home
- Don't store cardboard boxes, paper or other flammable materials in the backyard. These materials provide ready fuel for a fire and all it takes is one spark.

# 15TH ANNUAL BIG Hunter Registration **BUCK CONTEST**

**Return to the Municipal Office by September 30 2022**
