

## The Racks Rolled In at the 15th Annual Big Buck Contest

This year we were finally able to host our annual big Buck dinner after having to stay outside the last 2 years. Hunter's from throughout Algoma gathered at the Johnson Township Community Centre on Sunday, November 20th, 2022 to see if their buck measured up.

22 hunters were successful in securing their bucks this year, Brandon Trotter pictured above was the luckiest to take first prize with his 10 point. Brandon took home the grand prize of \$300 cash for his successful hunt.

Brad Charette pictured above came in second, with another 10 point buck and taking home \$150 cash. Jason Smith won third with an 8 point buck and took home \$75 in cash.

Each of the 68 registered hunters went home with a locally donated prize thanks to the many generous sponsors from within our community. special thanks to the students from the Sault College Environment Technician and Fish and Wildlife Technician Programs for measuring and scoring the racks. Thanks to McClelland's Hardware, 17E Trading Post, Terry Barber, Cory Moore, and Cheryl Larrett for gathering registrations. The success of this event helps raise funds towards recreation programs in Johnson Township.

**Mark your calendars! Registration for the 16th Annual Big Buck Contest will open on September 1, 2023.**

Pushing snow across roads and streets is not only a safety hazard; it is also against the law. The Ontario Traffic Act states: No person shall deposit snow or ice on a roadway without permission in writing to do so from the Ministry or the road authority responsible for the maintenance of the road. R.S.O. 1990, c. H.8, s. 181
