

## Beautiful Fall Fun in Johnson Township

As the summer weather winds down and the cool fall breeze can be felt in the air, we start getting ready for all the fall fun in Johnson Township. September is a packed month with lots of fun outdoors before the winter weather sets in. The highlight of the month is the upcoming ATV Poker Run on Saturday, September 23. Registration is open online and only \$25/hand. The winner with the best Poker Hand walks away with half the pot. Last year's winner went home with over \$800. With major changes to the route this years run promises to be off roading fun with lots of laughs along the way. As we all plan for the fall weather we can't forget that hunting season is almost upon us and with that comes the annual Big Buck Contest! Registration is now open online until September 30th. Your registration and all-you-can-eat dinner ticket are only \$35. The hunt is on for you can bring in the biggest rack in Algoma. With the kids returning to school comes the monthly PD Days and with that we are rolling out a whole new PD Camp program. September's PD on Friday, September 29th will feature Fall Fun with a nature walk, a few fall crafts, and a family fun movie. Registration is required and can be done through [recreation@johnsontownship.ca](mailto:recreation@johnsontownship.ca). Lastly, rink floor rentals are coming to an end as we prepare the rink surface for ice! But before we start up the plant we want to squeeze in a few more Roller Rink nights. Join us Sunday, September 17th from 3pm-4:30pm and Thursday, September 21st from 7:30pm-9pm for your last chance of the year to lace up a pair of roller skates and dance around the rink floor.

## 2023 ATV Poker Run: New Starting Location

Registration for the 2023 ATV Poker Run is open online at [www.johnsontownship.ca](http://www.johnsontownship.ca). Get ready for a day of fun off-roading adventures. We have changed it up this year, meeting for check-in and registration at 8:30am out on East Line Road in the Prairie. We will have a large white tent and signs set up to help guide you to the starting point coming off Highway 638 by Rydal Bank. Once you check in you will receive the route map. We are trying out the Polaris app to create a GPS of the map this year and share the ride on your phone. Have fun out on the ride and when you return we will deal out your Poker Hand to see if you are the lucky winner!

Keep an eye out on the trail for the Mystery Bucket for your chance to win a few extra prizes! The lucky winner of the best Poker Hand will walk away with 50% of the total registration pot! Last year's winner walked home with over \$800! Funds raised will go towards recreational programming for the upcoming winter season.

The Public Works team has been busy replacing culverts on Carter Side Road, Old Soo Road, Government Road, Deplonty Road and Fisher Road over the last few weeks. All culvert replacements were completed in-house and included ditching work to increase water movement. We thank all residents for your patience during road closures and taking the time to watch out for our workers. The 2023 Roads plan is on track to be completed before the ground begins to freeze and snow removal begins.

## Notes from the Fire Chief Woodstove Safety

As the nights get cooler and we start to think about turning on the heat or starting up the wood stove please remember to:

- Have heating appliances serviced and chimney flues examined for defects.
- Wood burning stoves should be examined and the flue and chimney checked for creosote buildup. Creosote is a deposit from smoke that can build up in a chimney and can start a fire.
- Use only seasoned woods, and avoid soft woods like Pine, etc.
- Never use a flammable liquid to start a fireplace.
- Never overload the hearth with wood or artificial logs, the resulting fire may be too large for the unit.
- Put all ashes outdoors and away from the house in a metal container.
- Ashes can be disposed of at the Landfill.

## Community Emergency Management

### 6 TIPS FOR A **Healthy Autumn**

#### **1 PROTECT YOURSELF AND OTHERS**

Follow COVID-19 safety guidelines.

#### **4 WASH YOUR HANDS**

Avoid getting sick and spreading COVID-19 by washing your hands often.

#### **2 GET YOUR FLU SHOT**

An annual flu vaccine is the best way to help protect against the flu.

#### **5 BE PREPARED FOR COLD WEATHER**

Exposure to cold can be dangerous, so bundle up!

#### **3 DON'T DRINK AND DRIVE**

Alcohol slows reaction time and hinders judgment and coordination.

# FROM THE COUNCIL CHAMBERS

August 16, 2023

The council received reports from staff including the Clerk's report outlining updates to the construction at the main office. Current plans indicate the new addition will be completed by Christmas. This new build is completed in part due to the Municipal Modernization Grant and will see the addition of council chambers and a selection of new offices.

The Public Works crew have been busy replacing culverts and completing ditching. Grading is being maintained on Margaret and Main St. until paving is completed next summer.

Recreation provided a proposal for updates to the Facility Booking process and a 2023-2024 pricing scheme.

Council approved the Ice rental prices for the 2023-2024 season to be maintained at the current price so contracts could be issued and deferred the rest to the September meeting.

Council review the By-Law 2023-1076 to reduce and set all speed limits in the township to 60km/hr for the health and safety of all residents. Various roads in the township already set at 40km/hr will maintain that speed.

Council approved the hire and welcomes Janet Boucher as the Deputy Clerk/Deputy Treasurer. Janet comes from Jocelyn Township with a wealth of knowledge and we are thrilled to have her join the team.

**Next Council Meeting:** Wednesday, September 20, 6pm In-person at the Johnson Township Community Centre Hall  
**For the full council meetings proceedings please visit the website at [www.johnsontownship.ca](http://www.johnsontownship.ca)**
