## **Request for a Proposal:**

Johnson Township Community Centre (Arena) is seeking a proposal for the supply and full installation of a 110kw natural gas, power backup generator, capable of supplying backup power to the Community Centre with the exception of the Ice Plant.

The Proponent will be responsible to:

- Supply a skin tight enclosed all weather protected generator
- Review current electrical and natural gas supply and provide assessment and proposed upgrades if necessary.
- Automatic transfer switch, trenching and concrete pad complete with bollards and chain link enclosure
- Fire alarm and fire alarm verification connected to generator along with a panel upgrade to accommodate this installation.
- Complete installation shall include repairs to existing building from any work required running lines and connecting building to generator.
- A site visit is mandatory
- Successful contractor shall be responsible for all permits and insurances
- Closing date shall be 3:00PM on May 23<sup>rd</sup>, 2025
- Last day for questions shall be 3:00PM on May 19<sup>th</sup>, 2025

Preference will be given to the supplier who can demonstrate experience in installation of a unit of similar size and complexity, who can offer an annual maintenance program, warranty and ready access to service and parts.

Interested parties should contact the Johnson Township office to arrange for a site rd.
