

## **Regular Council Meeting Agenda - Addendum**

*September 17, 2025*

1. **Delegation:** Rock Networks (with Pomegran) – Robert Peace will provide Council update on the fibre to the home project in Johnson Township.

## REQUEST FORM FOR DELEGATION AT A FUTURE COUNCIL MEETING

1. Person/Organization attending: Robert Peace

Contact Information: 647 778 6696

2. Date wish to attend: October 15, 2025 *Amended: 2025 09 17*

3. Reason for attendance: ***to provide Council with an update on our fibre-to-the-home project in Johnson Township. We want to share where the project currently stands, outline the next steps, and discuss how we can work together to engage the community.***

---

4. Background for Council: ***Rock Networks, with PomeGran, is extending high-speed fibre internet across the North Shore. We now need homeowner consents to run service lines from the road to homes, ensuring residents are ready for connections. A new ISP option will soon be available with competitive rates. To inform residents and answer questions, we propose working with the Town to host a community meeting in Johnson Township. Our aim is transparency, clarity, and building trust so residents feel confident in signing consents.***

---

5. Please explain what response you are looking for from Council:

***Acknowledgement of update, support to begin homeowner consent process, agreement to co-host a community meeting, and designation of a contact for coordination.***

Note:

Delegations **MUST** be in the office one week prior to council meeting.

- Delegations will have 15 minutes to present their concern.
- Only one person representing the delegation to present their concern.
- Your time requested will be confirmed by the Clerk.
