ISSUE. 139

Who was the 2025 Senior of the Year?

As we close out 2025, we want to reflect on a very special individual who was named the Johnson Township 2025 Senior of the Year. The late Frank Hicks was honoured at a private ceremony with his family late last year to acknowledge the incredible impact he had made on the Community throughout his lifetime of service to Johnson Township.

Frank was the definition of a community builder. He was a proud volunteer, a dedicated firefighter, and a respected Township Councillor. Frank's roots in farming shaped so much of who he was. He understood hard work, persistence, and the importance of looking out for your neighbours. He was proud to be part of the farming community and brought that same steady, down-to-earth presence to every role he took on. He had a deep love for his family, an unwavering commitment to his community, and a personality that could brighten the darkest of days. His humour was quick, his stories full of charm, and that infectious smile brought joy to any room. He was spunky and spirited, full of laughter, and always had a twinkle in his eye – like he was just about to crack a joke or share something that would have us all grinning. His laugh was often the first thing you'd hear in a room – and certainly the last thing you'd forget.

He didn't do things for recognition. He gave his time and heart because he believed in this community and the people in it. To Frank, family came first, but community came a very close second. And that's what makes this award so special – it doesn't just celebrate years, it celebrates a legacy. Frank Hicks left a legacy of kindness, service, and good humour – one that continues to inspire all of us. We hope to remember and honour the lessons he left us as we move into 2026.

No Pushing snow across roads and streets, it is not only a safety hazard; it is also against the law. The Ontario Traffic Act states: No person shall deposit snow or ice on a roadway without permission in writing to do so from the Ministry or the road authority responsible for the maintenance of the road. R.S.O. 1990, c. H.8, s. 181

The Public Works Garage

Someone keeps ordering up all this snow, keeping the Public Works crew extra busy out on the roads! Keep your eyes out for plows, graders, and sanders as the team works hard to keep up with the ongoing snowfall. Remember to give large machinery space and slow down when approaching. To help with snow removal the winter parking By-Law is now in effect and no overnight road parking is permitted until April 2026.

See an issue out on the roadways? Contact the Public Works Garage by calling 705-782-6601 ex. 206 and leave a message, the Road Super will be in touch promptly to assist.

FROM THE COUNCIL CHAMBERS

December, 17, 2025

Regular Council Meeting

The Public Meeting to announce 5 Margaret St. being rezoned from Multi Residential to General Commercial saw no complaints and will move ahead. January 2026 will see the property posted for sale. Staff Reports highlighted discussions regarding:

- Deputy Clerk: The Joint Official Plan for the Desbarats to Echo Bay Planning Board is in review with 2 open Public Planning Meetings coming up in March 2026. 1 in Johnson Township and 1 in Echo Bay. Details still to be announced. This is a chance to review issues such as zoning and severance changes for property owners.
- Arena: The new generator, thanks to a grant from NOHFC, is now in place and will be hooked up in the spring of 2026.
- Recreation: The Recreation Coordinator is away on a Maternity leave from January 2026 - July 2027. A Part time posting will be going out to help cover the position during this time.
- Fire Department: In 2025 the Fire Department responded to 30 calls, providing approximately 600 hours throughout the year for training, activities, and incident response from all Fire Fighter Volunteers.

Next Council Meeting: Wednesday, January 21, 2026

6pm In-person at the Council Chambers: 1 Johnson Drive, Desbarats, ON (Municipal Office)

School Support Designation

Planning to vote in the 2026 municipal and school board elections? Make sure your school support designation is up to date by June 1, 2026. Your designation determines which school board you support and which trustee election you can vote in on October 26, 2026 – and helps ensure [Elections Ontario](http://Elections.Ontario) has the right information. In Ontario, there are five options: English-Public, English-Separate (Catholic), French-Public, French-Separate (Catholic), and Protestant-Separate (Penetanguishene only). By default, your designation is set to English-Public, unless you choose to change it, if eligible to do so. Take a moment to review or update your information at www.mpac.ca/schoolsupport.

A Huge Thank you to Kent's Corner Rentals for the donation of the lift to install the winter banners along Lake Huron Drive.

Notes from the Fire Chief

All About Carbon Monoxide

All homes that contain a fuel-fired appliance, fireplace, attached garage or that receive heat from a fuel-fired appliance outside the home, are now required by law to have a CO Alarm installed on every storey of your home and adjacent to each sleeping area.

How to protect yourself and your loved ones from Carbon Monoxide:

- Test your CO alarm once a month, and change your batteries once a year.
- If you hear or suspect to hear a CO alarm leave your home immediately.
- Know the difference between the sound of the CO alarm and your smoke alarm.
- Keep fuel-burning appliances inspected and cleaned annually.

Make sure to follow the **Desbarats Volunteer Fire Department on Facebook** for more fire-related tips, tricks, and updates.

Huskies Hockey: The CASS Boys Hockey Team recently played a great game here in Desbarats against the White Pines Wolverines. The roar of the fans in the stands might have helped bring the boys to a 5-2 win!

The Central Algoma Land Trust would like to thank everyone who participated in the 10th annual Desbarats Christmas Bird Count on December 27th! The preliminary results are that 35 volunteers assisted our staff and counted 34 species for a total of 3,404 individual birds.

The highlights included 655 Redpolls, 48 Horned Larks, and a Sharp-shinned Hawk. Once finalized, the data will be submitted to the National Audubon Society, who will make it available to scientists, researchers, and conservationists for their work.
