Clerks Report

I have been here a year now and I must say it has been an eye-opening year!

The stain has been applied to the entrance to the arena, the staff have been checking off their list in preparation for the upcoming ice season.

RFP's have gone out for someone to run the Canteen for the year.

Winter programs are being prepped with the recreation program, hockey, figure skating, CASS intro to hockey etc. Another busy schedule for the recreation and arena staff.

Roads department has been busy replacing culverts and doing maintenance work on the roads and is almost caught up on all planned items and will be doing stuff to help out with the Arena and office.

The office addition is coming along quite well with the insulation and vapor barrier being done, and waiting on siding and windows and doors. The same stain as the arena has been applied to the front of the office as well.

The public has been fantastic adapting to coming into the other door and we want to thank them for being so patient during this process.

The office has been busy with the interim of the final taxes being due at the end of August and the last installment being due at the end of October.

The students have gone back to school and we want to thank them for doing a great job and wish them well in their studies.

Janet

Recreation Report Completed for: September 20, 2023 Council Meeting

Date: Sept 20 2033 Recreation & Events Coordinator Report for August 16, 2023 – September 20, 2023 This report covers information about programming completed in August and September 2023 along with upcoming programs, marketing information, and grant updates.

Recreation Committee Update:

Recreation meeting minutes and agendas are available upon request and at the recreation office.

Current members: Councillor Jason Kern, Laura Kern, Frieda & Dana Labelle, and Patti Trotter (Recreation Coordinator)

Last Meeting: Thursday June 15th 6pm Community Days Workbee at the Johnson Township Community Centre.

Next Meeting: Not yet set.

August/September 2023, Programming Results:

Pick-Up Slo-Pitch and Soccer: Has now ended going back to school. Turnout was minimal with the highlight being a group that came out from St. Joseph Island to participate one night.

Pick-Up Sports: Have ended as we prepare the rink surface for ice. Turnout was very minimal. Next year if the schedule can be created and sent out before school ends might see an increase in use. Or have a league with teams instead of pick-up.

August Movie Nights: We have now ended the weekly movie nights with a decent outcome. Approximately 45 people attended throughout the month of August. A cash canteen was open each night to offset some of the cost with approximately \$100 in revenue.

Roller Rink: Roller Rink is almost over for the season. The last night is booked for Thursday, September 21st. The response was less than last year but a few great events came out of having the skates available. Including a bus driving a youth group from the Sault out to participate. We had approximately 202 attendees with \$667 in donations throughout the summer. We plan to continue the program again next summer.

Gordon Lake Hall Pie Social: Was a great success raising approximately \$2000 towards renovations at the hall. The group of dedicated volunteers who take care of these events did an outstanding job collecting pies and serving the delicious dessert.

Ongoing Programming:

Big Buck Contest Registration Open: September 1, 2023 | Dinner November 19, 2023. Registration is now open online and posters have been distributed to local businesses and shared online. Dinner is in the planning stages with confirmation from Sault College to measure,

Recreation Report Completed for: September 20, 2023 Council Meeting

the Legion to Bartend and Cheryl Larrett for catering. Sponsorship letters will be distributed in late September/Early October.

- Annual ATV Poker Run: September 23, 2023 the run is changing start location this year. Starting
 on East Line Road in "the Prairies".
- Volunteer Dinner: September 28, 2023. Invitations have been sent out and RSVP's are coming in for the dinner to celebrate all the volunteers that contribute to Johnson Townships Community. This year's theme is how volunteers weave the community together.
- Ice Making: The last day of rentals on the rink floor is Sunday, September 24th with an estimated ice start date of Tuesday, October 10, 2023. Ice rentals will run until Sunday April 7th 2024 at which time 3-4 weeks is required to remove the ice and clean the rink surface.

Upcoming Programs:

- September 29th PD day Camp: offering Fall crafts and a nature walk hosted by The Kensington Conservancy for youth 3yrs+.
- Public Skate Parties: Starting October 13, every Friday night 6:30pm-8pm. Entry by donation, weekly themes and games. Full Schedule is attached.
- Thrift Store Halloween Paint Night: Judging interest in the current tic-tok paint night trend of repurposing thrift store painting into Halloween scenes.
- Halloween in Johnson Township: October 27th. Activities throughout the day for the PD day followed by the Halloween Skate night and haunted change room(s).

Booking Highlights:

- Kim Jackson is renting the kitchen twice a week to bake items for the farmer's market.
- Hall booking for winter fitness program being explored. Weekly one or two nights a week
- Hall booking for yoga/pilates being explored once weekly.
- Hall booking for yoga being explored once weekly 2 classes.
- Hall bookings for Learn to use Tech being explored.
- MPP Michael Mantha Clinic Sept 14 no charge booking
- APH flu clinic booked for Nov 1 no charge booking
- Sylvan Circle moved to the rink floor Sept 15th -16th.
- Ice rental requests have gone out and contracts are being drafted.

Marketing Updates:

- **Newsletter:** The monthly Newsletter for September (issue 112) is in the works and will be provided if completed.
- **Social Media:** Total page reach increased from 9,426 in July to 10,703 in August. Total Followers increased from 1,160 in July to 1,175 in August. The ATV Poker Run gathered the most attention of the month.

Recreation Report Completed for: September 20, 2023 Council Meeting

• Website: Budget of \$9000 has been confirmed for the website updates and 3 quotes have been secured. The final vendor should be chosen by October 2023.

Proposals:

- Fee schedule for 2023-2024 & Booking Documentation need confirmations on pricing and documentation.
- RFP for the Canteen Operator has gone out, closing on September 29th at noon.

Questions:

 Do you have a business that would be interested in sponsoring the Big Buck Contest and require a copy of the Sponsorship letter?

Report Completed By:

Patti Trotter

Events & Recreation Coordinator/Marketing & Promotions Johnson Township ptrotter@johnsontownship.ca | 705-782-6601 x 205 | 705-257-6827

FACILITY RENTAL REQUEST 2023 - 2024

Booking Policy:

Complete a Facility Rental Request Form and submit it by email to Patti Trotter at ptrotter@johnsontownship.ca or at the Municipal Office located at 1 Johnson Drive, Desbarats ON, POR 1EO. Once a Facility Booking Request has been submitted, Municipal Staff will respond in 48hrs with a Facility Rental Agreement and any additional follow-up questions. A booking is confirmed when staff have responded and a signed Facility Rental Agreement has been received with all the required paperwork. Unless otherwise agreed upon with Municipal Staff.

Payment Policy:

Cancellation Policy:

For single bookings, the Renter must give at least 72 hours notice of cancellation to receive a full refund for the booking. For reoccurring bookings, 14 days notice must be given to receive a full refund for the booking. Failure to do so will result in an invoice for the full rental amount to be issued to the Renter. In the event of a 'weather-related' cancellation, the Renter will have the option to reschedule or be provided a full refund. A cancellation notice is to be given to the Recreation Coordinator at 705-257-6827 or ptrotter@johnsontownship.ca. In the event of a 'weather-related' cancellation Municipal Staff will call and email the provided contact information as soon as possible.

'Weather related' will be those conditions for which a travel advisory is issued or the Facility has been closed due to incremental weather.

Notable Dates & Closures:

- Ice Rentals Available: October 10, 2023 April 6, 2024
- Arena Floor Rentals Available: May 4, 2024 September 22, 2024
- December 25: All Facilities are Closed
- January 1: All Facilities are Closed

Facility bookings are reviewed on a first-come-first-serve basis. For any additional inquiries don't hesitate to contact Recreation at 705-782-6601 ex. 205 or 705-257-6827.

FACILITY RENTAL AGREEMENT 2023-2024 TERMS & CONDITIONS

By Signing the Facility Rental Agreement, I acknowledge and agree to the following conditions:

- 1. The Renter must be at least 18 years of age at the time of Signing the Facility Rental Agreement.
- 2. It is the responsibility of the Renter to ensure all members of their group are aware of the Terms & Conditions when using Municipal Facilities and to provide supervision of said rented facilities abiding by all posted capacity limits and permits.
- 3. All exits, laneways and emergency response equipment must remain free from obstruction and interference at all times.
- 4. There will be no smoking permitted inside any Township Facility
- 5. Municipal Staff will ensure doors are opened at the designated set-up time and all outlined equipment is in working condition and ready for use by the Renter. If arrangements need to be made to borrow keys they can be done so at the Municipal Office located at 1 Johnson Drive, Desbarats ON, POR 1E0
- 6. A booking is confirmed when a Facility Rental Request and Facility Rental Agreement have been completed and received by the Recreation Coordinator with all additional paperwork provided.
- 7. If hosting an event serving or selling alcohol a copy of the Special Occasion Permit, a Certificate of Insurance in the amount of \$4 Million, and a copy of the Smart Serve for Each Bartender must be provided to the Recreation Coordinator at least 48hrs prior to the event. The Renter is responsible to follow the regulations set out by the LLBO and the Municipal Alcohol Policy.
 - i. No Minors (18 Years and Under) are to be admitted to a licensed event unless so stated on the Special Occasion Permit.
 - ii. Liquor sales must end 30 minutes prior to the end of the book or 12:30am at the latest.
 - iii. All Liquor and Beer is to be removed from the Hall within 30 minutes prior to the end of the booking or 12:30am at the latest.
- 8. Large-scale events(XX) open to the general public must provide a Certificate of Insurance in the amount of \$2 Million at least 48rhs prior to the event. This can be obtained by your commercial broken and must show The Corporation of the Township of Johnson listed as additional insured under the policy. It is highly recommended that all Renters obtain Liability Insurance.
- 9. The Renter acknowledges that they can be held liable for injuries and/or damages that occur during their function.
- 10. The Renter acknowledges that the Ontario Provincial Police, AGCO License Inspectors, Fire Inspectors, Public Health Inspectors, and Municipal Staff may enter the facility at any time unannounced.

FACILITY RENTAL AGREEMENT 2023-2024

- 11. The Corporation of the Township of Johnson will not be responsible for lost, stolen, or damaged items.
- 12. The Renter is responsible for contacting the Municipal Staff to make arrangements for special deliveries, equipment set-up or any special arrangements at least 72hrs prior to the rental date.
- 13. Food Services are permitted inside Municipal Facilities, this includes outside catering service or providing your own food for your function. Where food is prepared onsite or to be sold & distributed to the general public the Renter must provide at least 1 Safe Food Handler Certification of the individual(s) who will remain in the kitchen for the duration of the cooking and preparation of the food to the Recreation Coordinator at least 48hrs prior to the booking date.
- 14. In the event of extensive damages to the facility or equipment by the Renter, its volunteers, employees, or attendees The Corporation of the Township of Johnson will issue an invoice to cover the cost of clean-up and repairs.
- 15. The Renter must abide by all Federal, Provision and Municipal By-Laws including copyright fees, licensing matters, and gambling licensing.
- 16. The Corporation of the Township of Johnson has the right to request a written plan as to how the renter will enforce capacity limits and provide a monitor at the door. Municipal Staff has the right to close the event should numbers exceed capacity limits at the full cost of the rental fee.
- 17. In the event of an Incident the Renter must complete an Incident Report and contact the Municipal Staff Member on site or if no Municipal Staff Member is on site their Emergency Contact Sheet at the earliest convenience.
- 18. In the event of an Emergency the Renter must call 911 and then report to the Municipal Staff Member on site. If no Municipal Staff Member is on site the Renter can refer to their Emergency Contact Sheet as soon as possible.
- 19. Should this agreement be violated in any way The Corporation of the Township of Johnson has the right to suspend the Renter from renting or accessing Municipal Facilities.
- 20. Decorations?? All decorations must be removed 24hrs after the end of the event time. Any remaining decorations or food will be disposed of at that time.
- 21. The Renter is required to leave the Facility in a clean and orderly fashion. Garbage is to be removed from bins and tied with bags left by the front door or removed. Dishes and kitchen areas should be free from garbage, food remains, and dirty dishes. Clothes and drying towels are to be left on the counters in the kitchen area. Tables and chairs should be left in the condition they were found in. Ensure bathroom facilities are shut off with no running water and lights are shut off. Doors are to be locked upon exit unless Municipal Staff is on site.
- 22. The Corporation of the Township of Johnson reserves the right to cancel a booking at any time. Every effort will be given to provide 24hrs notice of a closure or cancellations,

FACILITY RENTAL AGREEMENT 2023-2024

- such notice may not be possible in all situations. In the event of a cancellation, the Renter will be provided with a chance to reschedule the booking or request a full refund.
- 23. In the event that the Renter needs to request a cancellation a one-time event must be cancelled 72hrs prior to the event for a full refund and a re-occurring event must provide two weeks notice prior to the cancellation of the event.

ALL APPLICATIONS ARE SUBJECT TO THE APPROVAL OF COUNCIL.

I have read and understand the Terms and Conditions of this Agreement. I acknowledge and agree that breach of any of the said Terms and Conditions may result in the termination of this agreement and the rental, and in some cases, lawful action will be taken and fines issued. I understand by signing this Agreement I take responsibility for my group and attendees.

Free Skates on 2nd Friday of each month

Date	Proposed Theme	Proposed Game/Activity			
October 13	Free Skate				
October 20	Barbie night	Dance contest/Freeze Dance			
October 27 – PD Day	Halloween/Wear a Costume	Costume contest			
November 3	Hockey night (dress in your favorite hockey players jersey)	Mini-game of hockey/Shoot out at net			
November 10 – PD	Free Skate				
Day/Veterans Skate?					
November 17	Orange & Camo Night	Cake walk. Tape as many numbers to the floor as you want. Write those numbers on strips of paper and put them in a bag. Turn on the music and skate around the ice surface. After a few seconds, stop the music and have participants stop on the number closest to them. Pick a number from the bag, and the people standing on that number are out. Repeat until you have one person left, the winner!			
November 24	Mama Mia night	Mama Mia finish the lyrics			
December 1	Pj night	Four corners: Number each corner of the ice skating rink. Write the numbers on small pieces of paper and place them inside of an ice skate. Play music while the kids skate casually around the rink, but stop the music at random intervals. When the music stops, everyone must skate to one of the corners. Pull one of the notes out of the ice skate and call out the number. Everyone in that corner is out of the game. Put the paper back into the skate, start the music again and continue playing until			

December 0		only one skater remains. That player is the winner.
December 8	Free Skate	
December 15	Ugly Christmas Sweater Night	Have your players skate freestyle around the rink. As they are skating, toss a foam ball to a random skater. That player must pass the ball off to the first player to cross his path. Kids will keep passing the ball from skater to skater until the music stops. Whoever is holding the ball when the music stops is out. Play continues in this manner until only one player is left. That skater is the winner. (could change it to something Christmas themed)
December 22	Christmas night	Find the presents (hide little laminated presents around the area group or single person who has the most gets a prize)
December 29 – Christmas Break	New Years	Spilt the group into teams and they have to try and get a balloon all the way down the ice without it ever touching the ice surface. If it hits the ice – you go back to the start line and begin again (create teams) – Jumbo Balloons?
January 5 – Christmas Break	Super spy night	Word hunt (find all the hidden pictures with a clue on it and write it down and in the end when you have all the hints you will get the mystery word to get a prize)
January 12	Free Skate	
January 19	Pirate night	Walk the plank if you get five questions wrong you walk the plank and don't get a prize

January 26	Disco night	Ice potato: Have your players skate freestyle around the rink. As they are skating, toss a foam ball to a random skater.
		That player must pass the ball off to the first player to cross his path. Kids will keep passing the ball from skater to skater until the music
		stops. Whoever is holding the ball when the music stops is out. Play continues in this manner until only one player is left. That skater is the winner.
February 2 – PD Day	70s night	Relay race split the kids up into two or three teams and grab an object they have to pass to each other and put down some pylons to create a path they have to skate through like a curvy line the first team that gets back first and all the players on their team have done it they win and get a prize
February 9	Free Skate	and get a prize
February 16	Valentine's Day	Cupid says (Simon says)
February 23	Country Night	Country square dancing
March 1	80s night	Moon walking contest (still on ice)
March 8	Free Skate	
March 15 – March Break/Family Hockey Tournament Weekend	St. Patrick's Day	Gold hunt (gold coin scavenger hunt, give 5-7 minutes, the team/person with the most wins)
March 22	Luau Night	Limbo on Ice
March 29	90s night	freeze skate play 90s music and when the music stops all the kids freeze eliminate players as the rounds go on by judging who didn't freeze

Free Skates on 2nd Friday of each month

April 5	Free Skate	

Superhero night	Can you name that
	superhero? (a super hero
	gets shown and the first on
	to raise their hand and to get
	the answer right wins a prize)

Agenda Item & 20 23

Sept. 20th, Regular Council Meeting

-Month of August

Treasury Dept. Report to Council

Monthly and other items have been checked off such as:

- Remittances to Receiver General Canada, OMERS
- Month end in progress- checking payables, bank deposits, posting items into our accounting software from our Property Tax and Utility Module
- Issuing cheques, payables, and keeping up with bi-weekly payroll
- Entering our new hire, and reporting on summer students that are going back to school- last pay processed, and required reporting for the month completed.
- The bank has been checked daily in order to monitor if monies can be moved into reserves, we have gained a little bit in interest, and were able to move 50,000.00 into reserves for time being.
- Payments for taxes and utilities have been processed in batches, and we have received many on time for the first final tax bill instalment (Due Aug 31st). We thank all residents who are keeping note of the new dates.
- Work is still moving ahead at the office, using the Municipal Modernization Grant received previously, we look forward to completed council chambers.
- Continuous monitoring of our accounting program in respects to the budget- ensuring we are staying within our boundaries, and seeing where we can improve.

Agenda Hem 6
Date: Sept 20 2023

September 2023

Report to Council

We have moved our ditching and culvert program to the east end. We have replaced two cross culverts on Government and 100 m of ditching. One cross culvert on Deplonty and Fisher and 300m of ditching, 200 m of ditching on Desbarats Lake Road. We are almost finished our tasks in our 2023 Roads plan that was approved in April.

We have also spent a little time on Fisher North removing the berm off the road to the water into the ditch, and we have removed a bunch of rock in the road that is normally hit in the winter time.

We have been doing patching and edging on the surface treatment as well.

We have been doing some spot grading in the bad spots throughout the summer trying not to cover the dust control. Now we are starting to grade in preparation for the lovely white stuff.

Due to the damage from Hwy 638 being closed for culvert repair we went out and graded on Diamond Lake Road and also put some maintenance gravel down. While being out there we noticed the boat launch having big ruts on the one side so we touched that up as well.

Terry

Fire Department - September Report

Date: Sept 2023 Eventful couple of months, with several calls, some of little consequence and others of significant consequence. Although we have been quite safe from wildfires thus far it has been one of the tougher months for the team.

- September is a month for inspections:
 - o Ladder inspections were completed in Echo Bay by Util-i-Quip annual inspection of the 3 ladders on the pumper - they are load tested, heat buttons checked for faults and replaced. All were in good shape.
 - Vehicle inspections began with Rescue 25
 - Steering tires were replaced delamination was identified
 - Steering links were both were replaced.
 - An electrical issue was identified on our last two calls (half the emergency lights would stop working). The problem was traced and alterations made (relays added) to the vehicle to ease the electrical load on a couple circuits. We looked at LED replacement lights but they were not going to be cost effective.
 - An engine oil leak was also identified and the valve covers were working themselves loose. Gaskets were replaced and the covers retorqued.
 - The front running boards were rusted out new steps have been ordered and we are just waiting to have them installed.
 - We are stickered for another year; however, I would suggest that we need to be on the lookout for a replacement vehicle - at 28 years old, it has done well and will continue for a bit, but a replacement chassis or used rescue replacement should be on the radar.
 - Pumper was in for annual inspection and oil change no trouble identified with the chassis
 - We also completed the pump test this week. This is another annual inspection that validates the output of the pump and does an oil change of the pump unit. While this vehicle is still in very good shape let me remind you that the insurance bureau wants to see primary equipment replaced at the 20-year mark - we are over halfway through the life cycle with our pumper. When purchased our pumper was 227K and to replace it with a similar unit now we would be about 750K. Keeping the reserve fund growing for this part of infrastructure renewal is critical.
 - The tanker is a 2018 unit and goes for its annual next week. No troubles expected with this unit. A similar pricing difference would be found to replace this vehicle and without hydrants in the hamlet or the township there is a need for a reliable tanker.
 - o We also have to begin hydro testing of our air bottles for SCBA's some will be expired and will most likely need to be replaced. - new carbon fiber bottles are much lighter than our current steel or aluminum ones but are time limited (expire sooner) and are quite expensive to purchase (bottles range in price from 800 reconditioned aluminum to 4,000 new carbon fiber).
- The legacy window ends this month and we have a few of the crew ready to apply. For the others, we will have to make arrangements for alternate testing once that becomes available. Not entirely sure how that will unfold.
- Infrastructure improvement for the FD must be kept on the radar.

Date: Sept 20

The Corporation of THE TOWNSHIP of JOHNSON

By-Law 2023-1076

BEING A By-Law to prescribe a maximum rate of speed for motor vehicles in the Corporation of The Township of Johnson;

WHEREAS the Highway Traffic Act, C. H. 8, RSO 1990 provides that the Council of a municipality may, for motor vehicles driven on a highway or portion of a highway under its jurisdiction, by by-law prescribe a rate of speed different from the rate set out in subsection 128 (1) of the said Act; and

WHEREAS the Council of the Corporation of The Township of Johnson deems it desirous to prescribe a maximum rate of certain highways and portions of highways in the Township of Johnson.

NOW THEREFORE the Council of the Corporation of The Township of Johnson enacts as follows:

- 1. THAT on any highway or portion of a Highway set out in Schedule "A" when marked in compliance with the regulations under The Highway Traffic Act, the maximum rate of speed thereon shall be as set out in Schedule "A"
- 2. THAT any person who contravenes this by-law or regulation made under this section is guilty of an offence, and on conviction is liable and subject to penalties, as set out in the Highway Traffic Act
- 3. THAT this By-law comes into effect need date
- 4. AND THAT all previsions By-laws established for governing speed limits are hereby rescinded.

READ and Passed in open meeting this need date

Fire Chief Ron Smith

Subject: Urgent Need for Upgraded Radios: Enhancing Firefighter Safety and Effectiveness

Greetings Mayor McKinnon,

I am writing to draw your attention to a critical matter that directly impacts the safety and efficiency of our dedicated firefighters.

Our volunteer fire department has long been a pillar of our community, responding to emergencies promptly and effectively. However, our ability to serve effectively relies heavily on clear and reliable communication among our team members. The current state of our radio equipment poses a significant challenge to this communication, jeopardizing the safety of our firefighters and the success of our operations.

The Need for New Radios:

Our existing radios, most of which are outdated and prone to battery failures, are hindering our firefighters' ability to stay connected during critical moments. Clear and efficient communication is essential to coordinating emergency responses, ensuring the safety of our personnel, and safeguarding the lives and property of our community members.

Advantages of Upgraded Radios:

Investing in new radio equipment would bring several advantages to our fire department and the community we serve:

- 1. Enhanced Safety: Upgraded radios would enable real-time communication in high-stress situations. reducing the risk of misunderstandings and ensuring our firefighters can coordinate their efforts seamlessly.
- 2. Improved Efficiency: Modern radios offer advanced features that streamline communication and enable quick decision-making. This efficiency can significantly impact our response times and overall effectiveness.
- 3. Interoperability: New radios designed for compatibility with other emergency service agencies would allow us to communicate seamlessly with police, paramedics, and other responders, fostering better coordination during joint operations.
- 4. Reliability: With a lower risk of technical failures, our firefighters can have confidence that their communication tools will work reliably when they are needed most.

Call to Action:

I strongly urge our council to consider allocating the necessary resources to provide our fire department with the upgraded radio equipment we urgently need. By making this investment, we are demonstrating our commitment to the safety of our firefighters and the community as a whole.

I would welcome the opportunity to discuss this matter further and provide any additional information you may require. Your support in this endeavor would have a profound and lasting impact on the well-being of our firefighters and our ability to serve our community effectively.

You may have heard that we were paged for 2 calls on August 23, 2023. The first was a rather innocuous alarm call. We gathered at our fire hall but did not have to leave the building. The second was much more serious and resulted in a fatality. The inability to communicate with our responders while they are enroute and on scene was clearly highlighted. In one case we could have let our people know it was a false alarm and they could have returned to their homes and in the second incident the need for an expeditious response and the ability to provide immediate updates on the situation, location and progress of the incident would have been beneficial. Having a reliable radio in the hands of each responding person not only provides an increased measure of safety and efficiency but helps to reduce the stress level for a responder.

Thank you for your attention to this critical matter. I look forward to finding a solution to ensure the safety and success of our fire department.

Best Regards,

Ron Smith,

Johnson Township Fire Chief

Smith

13. Permissions

13.1

Permission to enter on to the subject land(s)

I/We hereby authorize the members and staff of the Desbarats to Echo Bay Planning Board to enter upon the subject land (s) and premise (s) for the limited purpose of evaluating the merits of this application

Signature of Owner (s) or Authorized Agent

The subject property must have the appropriate municipal address, or other adequate identification conspicuously posted on the subject land (s). Failure to comply may result in a deferral of the application.

Submission of the Application

- One application form is required for each parcel to be severed.

- The requested copies will be used to consult with other ministries or agencies that may have an interest in the application.

- All measurements are to be in Metric units.

Step #1:

Review the application with your municipal office in order to apprise them this application will be coming to them and also to ascertain whether or not there may be municipal concerns regarding the application that your or the Planning Board may not be aware of which may affect the completeness and/or acceptance of the application.

Step #2:

Deliver the completed application to the Planning Board office along with the required fee made payable to the Desbarats to Echo Bay Planning Board.

Step #3:

- The Planning Board Secretary will review your application.

- You will be notified when the application is considered complete. Any legislated time lines will commence only after the application is deemed complete and accepted by the Planning Board.

- Once the application has been accepted as complete you will be asked to supply 12 copies of the approved application along with 12 copies of the approved sketch. You may make the necessary copies yourself or the Planning Board can make them for you for a fee.

- You will be responsible for delivering one copy of the completed application to the Algoma Health Unit and they may require a fee for this service.

PLEASE NOTE

An application accepted as complete may still be amended, rejected, or deferred as the application goes through the process of review and as new or opposing information becomes available.

All documents should be forwarded to the attention of:

SENT VIA E-MAIL

Office of the Prime Minister 80 Wellington St. Ottawa, ON, K1A

Attention: The Right Honourable Justin Trudeau

RE: **Establishing a Guaranteed Livable Income**

Please be advised that the Council of the Corporation of the Town of Grimsby at its meeting held on September 5, 2023 passed the following resolution:

Moved by: Councillor Korstanje

Seconded by: Councillor Freake

Whereas the Canadian livable wage for Niagara Region, two years ago was determined to be \$19.80. This was \$6000 below the annual income of a minimum wage employee; and

Whereas our residents on programs such as Ontario Works, receive targeted fixed monthly incomes of \$733, and ODSP recipients receive \$1376; and

Whereas at the current Ontario minimum wage rate, a person working 37.5 hours per week will earn approximately \$2,500 monthly (before tax); and

Whereas the median rent for one bedroom in Grimsby as of August 2023 is now \$2000 a month; and

Whereas rent is considered affordable, when it is less than 30% of income. In Niagara west, rent is approximately 272% of Ontario Works, 145% of Ontario Disability Support Services, 75% of minimum wage full-time, and 150% of minimum wage part time; and

Whereas an annual 2.5% allowable rent increase can be combined with an additional 3-6.5% capital investment increase, raising the cost of rental housing another minimum of \$110 monthly; and

Whereas there are no housing units under Niagara Regional Housing for single adults or families with dependents, including 2,3,4 or five bedrooms in our community; and

Whereas the Grimsby Benevolent Fund reported that in 2022:

- 70+ households received monthly rental supplement totaling \$237,744
- \$79,500 was invested into one time emergency housing support as of June 7, 2023
- 78 households are receiving monthly financial benefits to make rental housing more affordable; and

Whereas food inflation was 8.3% and groceries rose by 9.1%; and

Whereas the Grimsby Food Bank numbers from June 2023 reported:

- 19 new households
- 447 served households
- 1055 served individuals
- 7 emergency visits; and

Whereas the Grimsby Economic Strategic Plan identified the general high cost of living and housing affordability as primary obstacles in our workforce attraction.

Therefore be it resolved that The Corporation of the Town of Grimsby circulate correspondence to Ontario municipalities encouraging them not only to collect data of their housing and poverty statistics, but also to examine their pending economic vulnerability as a result.

Be it further resolved that The Corporation of the Town of Grimsby encourage these same municipalities to join us in advocating on behalf of our communities with this data, and by writing a letter to the Prime Minister, Premier, and local politicians calling for a united effort in establishing a Guaranteed Livable Income program.

Be it further resolved the Town of Grimsby Clerks Department circulates this resolution to Niagara West MP Dean Allison and Niagara West MPP Sam Oosterhoff, requesting a response on this matter within 30 days of receipt.

Be it further resolved that The Corporation of the Town of Grimsby, through its Finance and Human Resources departments, undertake a comprehensive assessment to explore the feasibility and implementation of a living wage policy for all Town of Grimsby employees, with the aim of ensuring that all municipal workers receive fair compensation that aligns with the principles of a living wage and that staff be directed to explore becoming a living wage employer.

If you require any additional information, please let me know.

Regards,

Bonnie Nistico-Dunk

Premier's Office Room 281 Legislative Building Queen's Park Toronto, ON M7A 1A1

Dear Honourable Doug Ford,

Re: Black Ash Tree Classification as "endangered" under the Endangered Species Act

Please be advised that the Council of the Municipality of Emo, at its meeting held on Wednesday, June 14, 2023 passed the following resolution.

Resolution June 14, 2023 No. 16

WHEREAS the Ministry of Environment, Conservation and Parks listed the Black Ash Tree as endangered in the Province of Ontario as a result of the Emerald Ash Borer Infestation in eastern and southern Ontario;

WHEREAS this classification was given even though the Emerald Ash Borer is not known to be widespread in Northwestern Ontario;

WHEREAS the Black Ash Tree is assumed to remain abundant on the landscape of Northwestern Ontario;

WHEREAS the Species at Risk in Ontario (SARO) classification of "endangered" under the Endangered Species Act (ESA) prohibits killing (Harvesting), harming, harassing, possessing, transporting, trading, and selling of live or dead Black Ash, and damaging or destroying its habitat on both Crown and Private Land;

The Corporation of the Township of Emo

P.O. Box 520, Emo, Ontario, POW 1E0

Website: www.emo.ca E-mail: township@emo.ca

Phone: 807-482-2378 Fax: 807-482-2741

WHEREAS the Species at Risk in Ontario (SARO) classification of "endangered", for the Black Ash Tree, came into effect on January 26, 2022;

WHEREAS the Ontario Black Ash Recovery Strategy is proposed to come into enforcement in January 2024;

WHEREAS the strategy is not expected to change the 50-99% destruction of Black Ash by the Emerald Ash Borer;

WHEREAS the strategy contains 170 references to possibilities that "may" be or are "poorly understood", including 80-year climate change models;

WHEREAS one of these unknown factors is the Rainy River forests of Northwestern Ontario;

WHEREAS the Rainy River forests, while having features of Great Lakes — St. Lawrence, also include Boreal and Prairie habitats following a continuum from northern Minnesota rather than from Southern Ontario;

WHEREAS the strategy, if applied, will certainly have severe impact on the economy, agriculture, forestry, tourism, recreation, First Nations and residential landowners of the Rainy River District;

WHEREAS it would be impossible to fully comply with the strategy and continue living in much of the Rainy River District;

WHEREAS consultation on the Black Ash and Emerald Ash Borer did not include the majority of Northwestern Ontario.

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Emo urges the Provincial Government to:

- a) Rescind the Ontario Black Ash Recovery Strategy at least as it concerns the Rainy River District and Northwestern Ontario;
- b) Seek further understanding of the health of the Black Ash in the Rainy River District and Northwestern Ontario.
- c) Complete a provincial study regarding socio-economic impact on this part of Northwestern Ontario

in consultation with stakeholders BEFORE any policies are passed and enacted upon.

Should you have any questions, please do not hesitate to contact this office.

Regards,

Crystal Gray

SEP 1 4 2023

OHNSON TOW

Date: Sept 20 2023

Aug 30, 2023

Dear Clerk/Treasurer

As in past years, I am writing to request your municipality's support of livestock veterinary services in your area through the Veterinary Assistance Program. This program is a joint effort of the local Veterinary Services Committee (VSC) representing eligible livestock owners, the provincial Ministry of Northern Development and Mines, (MNDM), participating contract veterinarians and municipalities who contribute to the operating costs of the local Veterinary Services Committee, on behalf of livestock owners in their municipalities.

The purpose of the program is to make veterinary services available to livestock owners at costs that are comparable to those paid by livestock owners in other parts of the province. MNDM pays a travel subsidy to participating veterinarians. The amount paid by MNDM amounts to \$20,00 for each \$1.00 contributed by municipalities. The travel subsidy allows participating vets to charge a flat rate call fee which is considerably less for most owners than what would be charged if vets charged according to the Ontario Veterinary Medical Association (OCMA) suggested fee guide of \$2.20/km round trip.

Without the travel subsidy, costs to most producers would be prohibitive and without the call volume it would not likely be feasible for vets to provide services, even to the owners that are relatively close to the participating veterinarians offices in Desbarats. Besides the obvious economic benefits the livestock veterinary service is important from the stand point of animal welfare, disease surveillance and public health.

The amounts requested from each municipality are based on historical livestock census numbers, with adjustments made to accommodate for increases in the costs of operating the local VSC. These services are largely the result of the provincial ministry no longer providing clerical services that were provided in the past. Adjustments have also been made where the proportion of calls made in a municipality is significantly higher than the proportion of funding previously requested from the municipality.

Please find enclosed your invoice for this year's request. Please send cheque to above address.

Yours truly,

Chris Gordon, Chairman

Subject: Attn: Public Works Department

Attn: Johnson Township Public Works Department

Hello, my Name is Crystal Richardson, I called and spoke to someone not long ago enquiring about the road work plan for Cora Drive and I am reaching out again to reiterate my many concerns regarding the proposed changes.

My Family and I moved to 190 Oak Drive in July 2022 and it has been a wonderful change for us. When we bought our house, it was never once disclosed to us that there was a proposed Road work Plan. We bought the house for many reasons and one of those being set on a dead end road without the constant flow of traffic. Living on the Trans-Canada Highway is bad enough. It is busy and loud, and to have additional traffic and noise to the other side of my house does not sit well with me. I do not want traffic on both sides of my house for both noise and safety reasons.

This Road work change would only affect us and no one else in and around the vicinity. I thought that with new owners moving to the area(unaware of proposed changes), the township would have at least asked for our input before such a significant change would be made that would only affect us.

I have young Children and Animals which pose a potential safety risk.

I am concerned that taxes will increase significantly for a road I DO NOT want.

I am concerned that the value of my home will decrease significantly and many people will be deterred if I ever tried to sell my home in the future

My biggest concern is the noise and traffic on BOTH sides of my House which is wrong and unfair.

Please consider my concerns before proceeding with this Road Plan and give thought and consideration to the impact it would have on my Family and Home.

Sincerely,

Crystal Richardson

- Dust control [calcium]
- Haul Sediment from lagoons to landfill
 - Excavation work for office addition
- Landscape and construct entrance to Arena / North End
 - Landscape for drainage around Arena

2023 Roads Work Plan

PossAbility Community Homes

August 23, 2023

To: Reg McKinnon, Mayor Johnson Township

PossAbility Community Homes (PCH) would like to request that the Township of Johnson consider paving or applying surface treatment to Amory Street next year while they are resurfacing the other streets in the hamlet.

We have made this request twice since the building was finished in 2014. Our parking lot was paved in 2015 to make it easier for all our tenants, however the gravel road to access our building still makes it hard for some of our tenants to get out and about.

We have just had a new tenant move in recently that has mobility issues like one of our previous tenants and having a paved road would make life easier for this individual. As the building was constructed for people with all disabilities it would be very beneficial to those with physical disabilities to have Amory Street paved.

PCH is a non-profit Registered Canadian Charity in good standing. Please consider our request.

If you require further information, please contact me at 705-782-6379 or at president@possability.org.

Thank you,

Barb Gjos

The Township of Johnson

re: Planning board lot addition to What S/2 lot 5 con 5 , # 0308 Johnson Trup.

The planning board will approve the lot addition one I can assive them I have legal access from the snow flough turnaround to the tot addition apray. 263 metres. The board suggested that an easiment may be an approxi.

What approvate would be regised by the Township in order for me to proceed with acquiring a summent easiment to the lab addition from the snowplough Turn around.

Other property occurers to the west of that location securently use that existing road for their access. This rante meets the definition of an access road under the road access act. If that is the ease would it not also apply to me?

flease advise Yours truly George Jones Date: Sept 20 2023

Important updates

Province-wide assessment update postponed

On August 16, the Ontario government filed a regulation to amend the Assessment Act. extending the postponement of a province-wide reassessment through the end of the 2021-2024

assessment cycle. This means that property assessments for the 2023 and 2024 property tax years will continue to be based on fully phased-in January 1, 2016 current values.

While we wait for a new assessment date. MPAC continues to maintain an inventory of all properties and account for changes that happen each year in every property sector across the province. The ongoing postponement does not change the work we do to maintain our extensive property database and annual assessment rolls.

The government also announced that it will conduct a review of Ontario's property assessment and taxation system. While MPAC is not responsible for setting tax rates or collecting property taxes, we welcome the opportunity to work with the Province to ensure the property assessment process is optimal for property owners and municipalities.

To All OPP-policed Municipalities

Re: Distribution of Police Record Check Revenue to Municipalities

In June 2022, the Ontario Provincial Police (OPP) centralized the police record check process by transferring the responsibility for the process from detachment staff to an Online Police Record Check Unit (OPRCU). The centralization of the police record check process eliminates the need for detachment staff to perform duties associated with the police record checks, with the exception of fingerprinting. This OPRCU has been staffed by reinvesting numerous administrative detachment positions from across the province. The change in staffing at OPP detachment locations will be captured in the overall municipal policing cost-recovery in accordance with the terms set out in *Police Services Act*, Ontario Regulation 267/14.

Historically, the revenue generated from detachment staff completing record checks for municipal residents has been credited back to the applicable municipalities. With the reassignment of the police record check workload to the OPRCU, there will be a gradual reduction of the revenue provided to municipalities, except for the revenue for fingerprinting. Fingerprinting remains a detachment responsibility and, therefore, the revenue for conducting fingerprint services at the detachments will continue to be allocated to municipalities. The gradual reduction of police record check revenue (not related to fingerprinting) will be accompanied by the introduction of some cost savings for municipalities resulting from the impact of reinvesting some detachment positions into the OPRCU. This will provide municipalities with an extended period of time to make appropriate adjustments to any impacted financial plans.

OPP-policed municipalities will continue to receive police record check revenue in 2023 and 2024. Commencing in 2025, the revenue will be reduced by 25% per year. In 2028, OPP-policed municipalities will cease to receive police record check revenue associated with police record checks processed by the OPRCU. Municipalities will continue to receive revenue for fingerprinting services provided at the detachment.

August 22, 2023

Dear Head of Council,

Subject: Building Faster Fund

The housing supply crisis affects all of Ontario – from rural communities to large, urban centres. Our government is committed to building at least 1.5 million homes by 2031, with municipalities across the province as our key partners.

On August 21, 2023, Premier Ford announced the new Building Faster Fund, a new three-year-\$1.2 billion program to help municipalities meet or exceed their share of the province's 1.5 million homes goal.

As announced by Premier Ford, 10% of the overall funding will be set aside for small, rural and northern communities that have not been assigned a housing target by the province, in order to address their unique needs in supporting growth in housing supply.

Ontario will be consulting with the Association of Municipalities of Ontario and the Housing Supply Action Plan Implementation Team on program design details of the Building Faster Fund, including how the funds can best support small, rural and northern communities, and I look forward to sharing more information with you in the future. As Ontario grows, we need to build more homes. I look forward to your support in ensuring that everyone – newcomers, young families and seniors – can afford a place to call home.

Sincerely,

Steve Clark Minister

Premier Ford Announces \$1.2 Billion Building Faster Fund for Municipalities

CNW Group

Mon, August 21, 2023 at 1:31 p.m. EDT · 2 min read

LONDON, ON, Aug. 21, 2023 /CNW/ - Today at the 2023 Association of Municipalities of Ontario (AMO) Conference at the RBC Place in London, Ontario, Premier Doug Ford announced a new \$1.2 billion *Building Faster Fund* to help municipalities support the creation of new housing. Funding will flow to municipalities over a three-year period, beginning in 2024-25. Increased housing supply and affordability are top priorities for municipalities across Ontario.

Logo of the Association of Municipalities of Ontario. (CNW Group/Association of Municipalities of Ontario)

"To meet the province's target of building 1.5 million new homes by 2031, municipalities need to invest in infrastructure such as water and wastewater, roads, parks, emergency services and more," said Colin

f	_								bivates, and it diprimal interview to	

Best, AMO President. "This is an important step toward addressing the gap in municipal infrastructure funding created by Bill 23."

Ontario municipalities own and manage almost \$500 billion of infrastructure systems. In 2021, municipalities invested nearly \$12 billion in infrastructure assets. Ontario municipalities estimate that additional funding of at least \$1 billion annually will be needed to address the shortfall created by changes to the *Development Charges Act*.

Most of the funding will be directed to Ontario's largest and fastest growing municipalities, and it will be tied to performance against housing targets assigned by the province and committed to by municipalities earlier in 2023. A portion of funding will also be available for smaller municipalities that do not have housing targets.

The province has committed to work with AMO and municipal representatives on program details to support implementation.

More than 2,000 participants are attending the 2023 AMO Conference in London, August 20 – 23. It's an important opportunity for municipal officials to work together with the Ontario government on solutions to today's greatest challenges. The event features more than 60 speakers, sessions and workshops, reflecting the broad scope of municipal responsibilities and priorities. Reporters can register onsite in Salon C2, RBC Place, London. For program details, visit https://www.amo.on.ca/2023-amo-conference.

AMO works to make municipal governments stronger and more effective. AMO brings together Ontario's 444 municipalities to achieve shared goals and meet common challenges.

Follow the Conference on X (formerly Twitter), @AMOPolicy, and use the hashtag #AMO2023
